

Luise-Henriette-Gymnasium presents:

R U the champ? ... in writing stories?

Dear pupils in year 6,

Thank you so much for sending your wonderful stories to us!

It was a pleasure to read them all. One, however, was outstanding.

Read it yourselves:

Emily and the thief

Last weekend was Emily's birthday.

She was at the ice rink with her friends.

She received many gifts and balloons.

Her favourite gifts were a pink handbag and deodorant. She drove with her handbag all day, but just before she had to leave, a man came and stole her bag.

Emily drove after him, but he was faster than her.

Suddenly an idea came to her. Emily sprayed the deodorant in the air and it smelled so awful the thief passed out.

Then she and her friends took her bag and put the thief on the balloons.

Then the thief floated into the sky and if you look closely you can still see him today.

The writer did not only respect the criteria we asked for (one place, two people and three objects), but wrote an interesting and unexpected short story with a very creative ending. Well done!

The winner of this year's **R U the champ writing competition** is:

**Jura R. (11 years old) from the 6c
of the Adolf-Glaßbrenner-Grundschule**

Congratulations!!!
